

A large, abstract orange watercolor splash serves as the background for the text. It has a textured, painterly appearance with various shades of orange and some darker spots.

JUDGE: Chaz Nieponski displays her work at Nieponski Gallery, 59 S. La Salle St., Aurora, IL. Her work is described as Transitional Contemporary Impressionism. Brushwork is bold and overlapping. Portraits with a contemporary twist are some of her favorite expressions. In addition to figurative artwork, Chaz enjoys breaking rules by adding feeling to virtually abstract paintings. “I think that composition and movement of artwork should be exciting to view whether right side up or sideways!” Her works of art have been exhibited in galleries throughout the country.
