

## Oil Painting Supply List

Teacher: Chris Hughes

1. Large pallet
2. Canvas: 16 inches x20 inches or larger.
3. Brushes: You can purchase inexpensive oil or acrylic brushes from Blick's or Michael's in various sizes: 6 and 10 round and  $\frac{3}{4}$  inch flat or bright shapes
4. Paint - Blick's has the best selection and prices for paints in our area.

**Acrylic paints:** I recommend the Blick's brand or Utrecht.

**Oil Paints:** only purchase paints made in France, UK, or USA which is noted on the back of the tube. Windsor & Newton brand has good quality paint in starter sets.

**Colors:** for either oil or acrylics: primary colors of Red, Medium Yellow, Ultramarine Blue, Titanium White, Yellow Orchid to start.

\*I will always have a set of paint with me to help out as you get started.

Looking forward to having you on our journey of becoming an artist. Chris
