Title: Golden Corn Worm

Comments: The first thing to catch my eye was the composition with all the movement of the corn's "hair" – very subtle and delicate use of colors

THEME AWARD:

Artist: Sharon Peters

Medium: Oil

Title: Have a Slice of Rye

Comments: Beautiful still life. Makes me want to sit on that table and enjoy that food. Unusual horizontal composition that drives the eye right-left easily.

Comments: Beautiful division of the space in the picture. The vibrant red color caught my eye to come close and see the details.

SPECIAL MERIT:

Artist: Dawn Halter

Title: Pre-Pumpkin Pie

Comments: Very beautiful black and white artwork. Very well rendered in value changes. Loved the title.
