

Beginning Watercolor with Vicki Liszewski

For the first class:

Paper one sheet (22 x 30") of Arches 300 lb. cold press

Paint one small tube of ultramarine blue artist grade watercolor

good brands are Winsor Newton, Holbein, Sennelier,
(not Cotman)

Brushes one 1/2" flat and one #4 or #8 round
(be sure they are for watercolor, not acrylic painting)

Water tubs two small plastic containers such as Glad or Ziplock

Towels one roll of paper towels or a white terry towel

**Do not buy anything else until after the first class - I will
give a more complete list of supplies in class.**

If you already have watercolor supplies you can bring them and we
will discuss my recommendations.
