Also called Life Drawing, live figure classes involve a nude model. Without clothes the model can be rendered in a timeless fashion. Stripped of culture and place in time, there is no difference between those figures drawn today and those created in a Renaissance classroom. The nude figure, depending on pose and artistic skill, can suggest every aspect of humanity from the pathetic to the narcissistic or heroic. When you attend a figure drawing class, you are participating in a tradition that is hundreds, possibly thousands of years old. Students render their own artwork, there is no instruction during these sessions. Students may use the medium of their choice. Typically, the model will provide five -5-minute poses for warm up, and then one or two long poses (1-2 hrs.).

**A minimum of 4 students must be registered by Saturday, Nov. 11 in order to cover the model fees and hold the class.****FL23-LIFE-1B**

Friday Afternoons

12:30PM - 3:00PM

Pastel painting has seen some recent relatively new advances, along with improved types of pastels and painting surfaces. In this class, you can be either a soft/dry pastel or an oil pastel painter. Come join us as a beginner or beyond. We will focus on three classic steps to build a pastel painting:

Step 1. Establishing a limited palette based on values

Step 2. Including a gestural underpainting as the first stage of the painting

Step 3. Developing the pastel painting with a focus on Shapes, Values, Edges, Colors and Textures

You will also learn updated presentation skills for framing, and how to use your phone to see values and take good photos of your work. Believe it or not, knowing how to draw is always helpful, but not required for this class. **B.I.A.**

**\*NOTE:** Check out the supply list for this class as specific pastel brands are needed and better suited.
