Students will discover this form of on-location drawing and explore areas that include architecture, landscaping, people/animals and vehicles from direct observations. Students will need to do some light walking to nearby locations. B.I.A.

**SU25-DOUG-1B****Jul 12, 19, 26, Aug 2****LIVE FIGURE DRAWING STUDIO****M Dorrell, Facilitator****One Saturday Afternoon Per Month****1:00 - 3:30PM****\*Note: Teens under 18 years of age must have parental permission****\$20 for 1 session, No discounts applied.**

Also called Life Drawing, live figure classes involve a nude model. Without clothes the model can be rendered in a timeless fashion. Stripped of culture and place in time, there is no difference between those figures drawn today and those created in a Renaissance classroom. The nude figure, depending on pose and artistic skill, can suggest every aspect of humanity from the pathetic to the narcissistic or heroic. When you attend a figure drawing class, you are participating in a tradition that is hundreds, possibly thousands of years old. Students render their own artwork, there is no instruction during these sessions. Students may use the medium of their choice. Typically, the model will provide five -5-minute poses for warm up, and then one or two long poses (1-2 hrs.).

A minimum of 4 students must be registered by Saturday, July 12 in order to cover the model fees and hold the class.

M Green

WEDNESDAY AFTERNOONS

12:30PM - 3:00PM

Max Class Size: 12

The Hudson River School artists created sweeping landscapes that invited viewers to experience nature in a way that was both true to life and grand. In this course, we'll create an oil landscape that is inspired by the beauty and history of 19th century American landscape painters. Students will learn how to approach their landscape painting in a traditional way, which includes composition and preliminary sketching, imprimatura underpainting, medium preparation, color mixing, brush work and more. If students would also like to bring their own landscapes photos to paint from, that is fine too. All skill levels are welcome, but some experience with painting is helpful, but we'll go over everything you need to get started!

Pastel painting has seen some recent relatively new advances, along with improved types of pastels and painting surfaces. In this class, you can be either a soft/dry pastel or an oil pastel painter. Come join us as a beginner or beyond. We will focus on three classic steps to build a pastel painting:

Step 1. Establishing a limited palette based on values

Step 2. Including a gestural underpainting as the first stage of the painting

Step 3. Developing the pastel painting with a focus on Shapes, Values, Edges, Colors and Textures You will also learn updated presentation skills for framing, and how to use your phone to see values and take good photos of your work. Believe it or not, knowing how to draw is always helpful, but not required for this class. **B.I.A.** \*NOTE: Check out the supply list for this class as specific pastel brands are needed and better suited.
