What is urban sketching and how is it unique from other types of drawing? Students will discover this form of on-location drawing and explore areas that include architecture, landscaping, people/animals and vehicles from direct observations. Classes will include demos, experimentation with tools/materials, individual guidance/support, and critiques in a friendly environment. Students will need to do some light walking to nearby locations. B.I.A.

SU25-DOUG-1C**Aug 9, 16, 23, 30****LIVE FIGURE DRAWING STUDIO****M Dorrell, Facilitator****One Saturday Afternoon Per Month****1:00 - 3:30PM*****Note: Teens under 18 years of age must have parental permission****\$20 for 1 session, No discounts applied. Walk-In Fee \$25 per session.**

Also called Life Drawing, live figure classes involve a nude model. Without clothes the model can be rendered in a timeless fashion. Stripped of culture and place in time, there is no difference between those figures drawn today and those created in a Renaissance classroom. The nude figure, depending on pose and artistic skill, can suggest every aspect of humanity from the pathetic to the narcissistic or heroic. When you attend a figure drawing class, you are participating in a tradition that is hundreds, possibly thousands of years old. Students render their own artwork, there is no instruction during these sessions. Students may use the medium of their choice. Typically, the model will provide five -5-minute poses for warm up, and then one or two long poses (1-2 hrs.).

A minimum of 4 students must be registered by Saturday, Aug 9 in order to cover the model fees and hold the class.

The Hudson River School artists created sweeping landscapes that invited viewers to experience nature in a way that was both true to life and grand. In this course, we'll create an oil landscape that is inspired by the beauty and history of 19th century American landscape painters. Students will learn how to approach their landscape painting in a traditional way, which includes composition and preliminary sketching, imprimatura underpainting, medium preparation, color mixing, brush work and more. If students would also like to bring their own landscapes photos to paint from, that is fine too. All skill levels are welcome, but some experience with painting is helpful, but we'll go over everything you need to get started!
