

Summer camp for children ages 7–13

Northside Park Sketchers

Do you like the outdoors and love to draw & paint? If so, this course is for you. No experience necessary. We will sketch shapes, forms, and values that we find in small items like sticks, rocks, and leaves. We will also practice watercolor techniques by painting shapes found in the surrounding landscape and later transform our studies into watercolor paintings.

\$8 to teacher for supplies, watercolor paper and paint.

Classes meet at the covered picnic pavilion next to Northside Park playground in Wheaton.

3 sessions will be offered. Cost is \$90 per session plus an \$8 supply fee payable to the teacher on the first day of camp.
