

Pulling a Class List – Instructions for Teachers

From the DPAL home page <https://www.dupageartleague.org/>

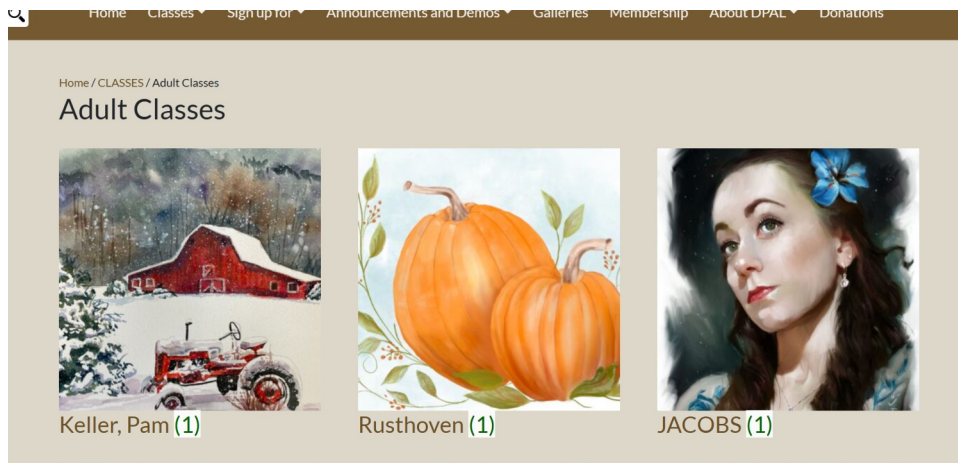

Log in with your user name and password.

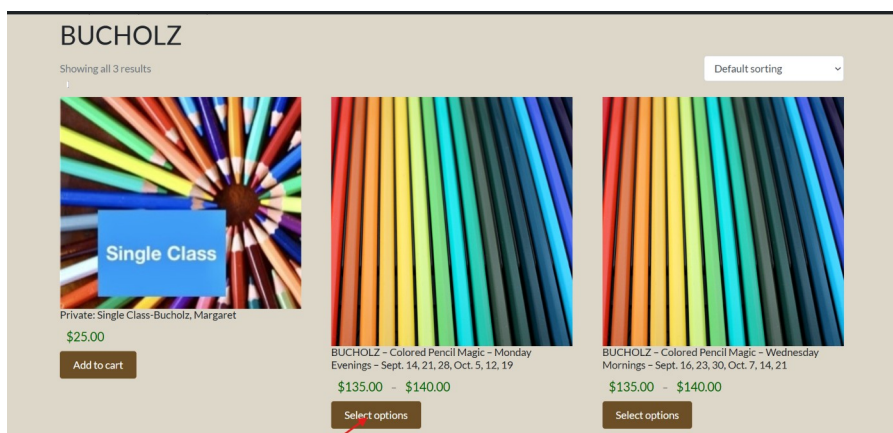

Navigate to “Sign up for” and select “Classes” from the drop-down menu:

On the Classes page, click on the photo for either **Adult** or **Children's** depending on what you are teaching. Note the number of classes being offered.

At this point we don't have a way to order to the classes, so you will need to scroll down to find your class. Click on the photo icon for your class to open it up.

If you have multiple classes, they will all display when you click on your icon. Click on the icon for the class for which you want to pull the list.

colored pencil projects on Bristol board, toned tan paper, and black paper. After some quick exercises in color theory and mixing colors, students will be at subject they choose. Take advantage of toned tan paper to speed up doing a portrait in sepia and crème. Have fun making moody pictures on black paper v come alive, and you get the darkest darks from the paper itself. Composition, value, and technique will be discussed. B.I.A.
